Canvass Activities Summary

February 24, 2015 Special Election

1% Manual Tally

Per Elections Code Section 15360, 1% of precincts must be hand tallied to determine that the voting system is reading and tabulating votes correctly. For Measure N there was one voting precinct, so 100% of the votes counted election night were hand tallied – 469 votes.

Materials used to complete the tallies were minimal, but included specialized tally sheets, pencils, calculators and the central count reports.

The contest balanced on the first pass.

No observers were present during the canvass. We welcome observers at all times. Because the audit was conducted at central elections, no additional security measures were required above and beyond normal security precautions in place.
