RICHARD W. BEDAL, COUNTY CLERK
GAIL L. PELLERIN, ELECTIONS MANAGER

INFORMATION REGARDING THE STATEMENT OF VOTE

This Statement of Vote is prepared and issued pursuant to Elections Code Section 15372.

HOW RESULTS ARE COMPILED

The Statement of Vote reports results by consolidated voting precinct for each contest on the ballot. California law requires election officials to count the ballots and report results by political party for the partisan contests.

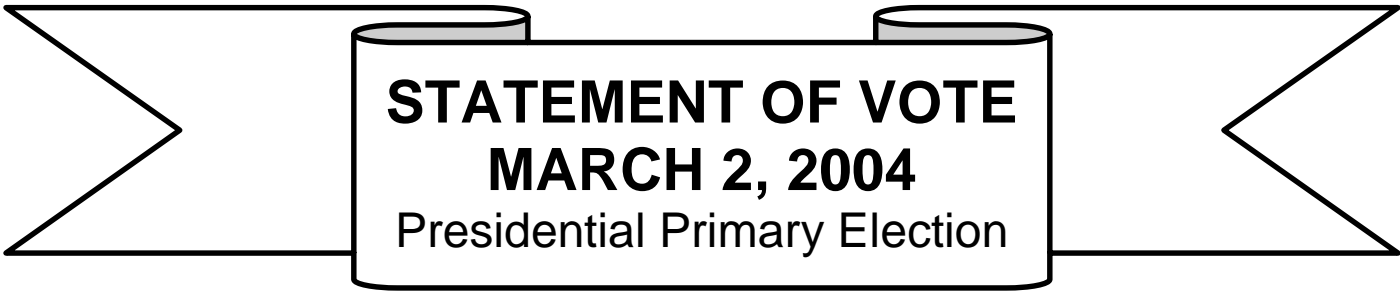

Three political parties allowed nonpartisan voters to vote on some or all of their partisan contests: American Independent Party; Democratic Party; and Republican Party. The Republican Party, however, did not allow nonpartisan voters to vote on the office of U.S. President. The Democratic and American Independent parties allowed nonpartisan voters to vote for their candidates for U.S. President; however, the votes are required to be reported three separate ways: Party voters only; Party and Nonpartisan Voters; and Nonpartisan Voters only. For all of the other partisan offices, the results for the Republican, Democratic and American Independent Party contests include votes cast by both party voters and nonpartisan voters. The partisan contests for the other four political parties: Green, Libertarian, Natural Law, and Peace and Freedom reflect votes cast by party voters only.

After the precinct-by-precinct report, you will find grand totals followed by a page of absentee totals by Congressional District, State Senate Districts, State Assembly District, Supervisorial District, each of the four incorporated cities and the unincorporated area of the county.

ABSENTEE AND MAIL BALLOT PRECINCT RESULTS

The Statement of the Vote also reports the absentee results by consolidated voting precinct. The voting precinct number for absentees begins with "800" followed by the consolidated voting precinct number.

Precincts with just 4 digits are the polling place results. If the words "Mail Ballot" follow the 4-digit number, you will find results for those Mail Ballot precincts with the absentee precincts which have an "800" in front of the 4-digit number. In cases where less than 10 voters voted from a mail ballot precinct, those votes have been merged with another precinct in order to protect the secrecy of the ballot.
