SECTION 3. CEQA FINDINGS.

For purposes of the California Environmental Quality Act (Public Resources Code Section 21000, et seq.), a “project” is defined in State CEQA Guidelines Section 15378 (a) as “the whole of an action, which has a potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment”. The people of the Watsonville hereby find that the proposed Ordinance will not result in any change in the environment and thus is not a project subject to the requirements of CEQA. Additionally, the proposed Ordinance involves the creation of a government funding mechanism which does not involve any commitment to any specific project which may result in a potentially significant impact on the environment and thus the proposed Ordinance is not a project subject to the requirements of CEQA pursuant to CEQA Guidelines Section 15378 (b)(4). Further, even if the adoption of this Ordinance was deemed to be a project subject to CEQA, the people of the City of Watsonville find the proposed Ordinance is exempt from CEQA under the common sense exemption set forth in Section 15061(b)(3), which provides that CEQA only applies to projects which have the potential for causing a significant effect on the environment, and thus where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

SECTION 4. PUBLICATION.

This ordinance shall be published in compliance with the provisions of the City Charter.

SECTION 5. SEVERABILITY.

If any provision of this Ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the Ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

SECTION 6. EFFECTIVE DATE.

This Ordinance relates to the levying and collecting of the City transactions and use tax and shall take effect ten (10) days after the certification by the City Council of the election returns indicating passage of the Ordinance by a majority of voters voting in the election.
