Santa Cruz is a uniquely special place where community matters and neighbors support each other daily. This collective compassion and care for one another is why I'm running for Santa Cruz City Council District 4. As a father of two young children, I want to give back to our special community by ensuring it remains vibrant, supportive, and livable for all.

District 4 runs from the Main Beach to UCSC and includes vibrant neighborhoods and our beloved downtown. As a representative of District 4, I will work to ensure our precious beaches and river remain clean and vibrant for future generations to enjoy. In concert with our downtown community, I will support our vital locally owned family businesses to ensure they thrive in a challenging economy. And, I will work to ensure our neighborhoods are livable for everyone who calls them home. I will also work collaboratively to ensure we address homelessness with dignity and respect and prioritize affordable housing that aligns with our community character.

Our City Council needs fresh voices and new perspectives to solve our most challenging issues.

I'd be honored to have your vote for Santa Cruz City Council District 4. scott4santacruz.com
