

CANDIDATE STATEMENT

Statement of **Kristen Brown**, Candidate for **Santa Cruz County Board of Supervisors, District 2**

Occupation: Capitola Mayor

Email: Info@VoteKristenBrown.com

Website: www.VoteKristenBrown.com

Age: 37

As a fourth-generation County resident and a two-term Capitola Mayor with 13 years of experience working in public policy, I've worked tirelessly to address our County's most pressing issues. I led the board through our Regional Housing Needs Assessment process as President of the Association of Monterey Bay Area Governments, engaged in Countywide multi-modal transportation improvements on the METRO Transit District Board and Regional Transportation Commission, and championed coastal resiliency and conservation efforts on the Monterey Bay National Marine Sanctuary Advisory Committee.

I've successfully preserved affordable housing options, supported millions of dollars in road repair projects, advocated for funding for our libraries and community services, increased opportunities for youth, and championed programs benefiting seniors and families. Throughout my years in public service, I've earned a reputation for demonstrating unwavering integrity, transparency, and accessibility.

Santa Cruz County is an ideal place to live, but we are confronted with unprecedented challenges. With a Masters Degree in Public Administration with an emphasis in Public Sector Management and Leadership, I'm ready to work hard to find creative, community-centered solutions to protect our future. Vote Kristen Brown for Supervisor in District 2.
