

Dalila Epperson is running for the California State Assembly to champion much needed educational reform for our children, support law enforcement and local business owners, and to advance personal liberties.

She aims to create an environment where every family can thrive, a position she holds dear as a devoted mother, grandmother, wife, and as an entrepreneur.

Epperson loves our precious Central Coast and the families who call it home. That's why she's long been a committed community member. This includes actively participating in school board meetings, where she stands strong as a voice for parents. She also supported the reopening of businesses that the government cruelly shut down by attending multiple Board of Supervisor and City Council meetings. She walks the walk!

She understands the challenges of local business owners, based on her experience owning two small businesses. Her entrepreneurial spirit drives her to support local businesses and advocate for policies that foster a thriving economy, e.g., less regulations!

Dalila's firefighter husband, a Navy veteran, embodies bravery and dedication, inspiring her journey in public service. She believes we can unite by pursuing liberty, prosperity and safety.

Vote Dalila Epperson for State Assembly. Let's send this strong and sensible woman to Sacramento!
