

I've been a resident of Scotts Valley for 50 years. I'm an alumna of Brook Knoll, Scotts Valley Middle School, Harbor High School.

I've been married for 32 years with two children ages 27 and 25, both Cal Poly graduates, both went to Brook Knoll, Scotts Valley Middle School, Scotts Valley High School.

I worked as an Instructional Aide in the Scotts Valley School District at Scotts Valley Middle School specializing in Special Education students. I was a Technical Recruiter in Silicon Valley and worked in Human Resources for Watkins-Johnson.

I volunteered as Parent Teacher Association President for Scotts Valley School District for 15 years. I am a member of Omega Nu Ducky Derby and a board member of I'm Kinder Than That an anti-bully movement. I started Barbie Care and Share Northern California. I collect and refurbish Barbies then donate them to children and nonprofits in need.

My passion is to work with children, teachers and families. I do this to help make a difference in children's lives. I'm asking for your vote and support.
