

It has been my honor to serve as your State Assemblymember for California's 28th Assembly District, representing portions of Santa Clara and Santa Cruz counties. I am incredibly proud of what we have already accomplished, but there is so much more to be done. I am running for re-election to continue to address the challenges we face and to advocate for the needs of the 28th Assembly District.

Ensuring that your voice is heard remains my number one priority.

In the Assembly, I serve as Chair of the Elections Committee, where I am committed to ensuring that California is the gold standard for secure, accurate, transparent and accessible elections. Additionally, I serve on the Appropriations, Natural Resources, and Business and Professions committees. As the Vice Chair of the Select Committee on California's Mental Health Crisis, I advocate for much needed mental health resources.

Prior to being elected to the State Assembly, I served as the chief elections official in Santa Cruz County from 1993 to 2020.

Democracy can only thrive if elected officials involve the community to resolve our concerns. Whether it's tackling affordable housing and homelessness, providing physical and mental health care that's affordable and equitable, stimulating jobs and our economy, fighting for equality, or addressing the impacts of climate change, I want to work with you to improve our communities.

I respectfully ask for your vote to continue to represent you as Assemblymember for the 28th Assembly District, and I look forward to our working together.
