

As a dedicated and involved community member, I am excited to announce my candidacy for Director of the Scotts Valley Fire District. My deep-rooted commitment to our community combined with a diverse background in leadership, education, and community service, positions me uniquely to contribute effectively to our fire district's mission.

My upbringing in a family deeply involved in local business, such as the Nickelodeon Theatre, has profoundly shaped my understanding of community service and effective communication. The values of dedication and integrity that I learned through this family legacy have guided my professional journey and personal life.

In recent years, I've observed significant changes in our rural area, particularly concerning heightened fire risks. As our community has grown and evolved, so have the challenges we face in ensuring safety and preparedness. My experience as a school administrator, athletic director, teacher, professional baseball player, coupled with my service on the Branciforte Zone Advisory Committee and School Site Council has provided me with valuable insights into addressing these concerns effectively.

I am committed to leveraging my experience and skills to make meaningful contributions to our community and ensure that our initiatives are both impactful and sustainable.
