

**FISCAL IMPACT STATEMENT BY COUNTY AUDITOR-
CONTROLLER/TREASURER-TAX COLLECTOR
BALLOT MEASURE D**

The measure is not expected to have a significant fiscal impact on the County of Santa Cruz. The measure does not impose a tax or fee, authorize County expenditures, or require the County to establish a new program or add County staffing.

The measure establishes voter approval requirements for certain future land-use changes involving onshore facilities supporting offshore oil and gas and deep-sea mining exploration and development. Any fiscal effects would depend on future proposals subject to the measure and cannot be reasonably estimated at this time.
