

My name is Jim Anderson, and I am running for the Felton Fire Protection District Board to continue serving the community I have called home for decades.

For 53 years, I have volunteered with the Felton Fire District, serving in nearly every position before being elected to the Board of Directors.

I am a lifelong San Lorenzo Valley resident and have lived in Felton for 31 years. My public service includes 27 years on the Mountain Parks Foundation Board, 11 years on the Felton Cemetery Board, and six years with the Santa Cruz County fire agencies' insurance group.

I have also served on the Santa Cruz County Substance Abuse Commission, Sheriff's Advisory Council, and County Redevelopment Oversight Board.

I currently serve on Santa Cruz County LAFCO, representing the county's special districts for 20 years, and have been re-elected five times by those districts.

Felton deserves experienced, steady leadership focused on public safety, responsible local government, and community resilience. With your support, I will continue serving Felton with experience, integrity, and dedication.
