

Casey Clark

Watsonville City Council Member/Mental Health Advocate

831-210-9577 ReElectCaseyClark@gmail.com ReElectCaseyClark.com Age: 43

I'm honored to have served as your Watsonville City Councilmember for the past four years.

Growing up as an adopted mixed-race child I learned early on the profound meaning of family and resilience. Through my Grandma Penny, and parents I learned the value of hard work. My mother picked berries in the Napa Valley and my dad served in the US Airforce during Vietnam. I'm proud of his Veteran's Service.

During my tenure on the Pajaro Valley Arts Council, advocacy for arts has been relentless. As Treasurer for Independence Square HUD Housing we have persevered with this project for our most vulnerable population of Seniors and Disabled residents.

As a mental health professional in Watsonville I have a unique and compassionate insight into the many issues that affect our community such as housing equity, and public safety. My top priorities are maintaining a balanced budget, repairing the city's infrastructure, improving pedestrian safety, investing in youth enrichment programs, and supporting small businesses.

Let's bring neighbors together, have honest conversations, and find solutions for all.

Watsonville is home to many vibrant and diverse cultures. With your help, we will continue to build a better future our beautiful City of Watsonville community.

I would be honored to have your vote again.
