Dear Voter,

Life has certainly changed since the March 3 Primary Election.

We have all had to deal with the realities of Coronavirus and the public health protocols designed to keep us all safe: sheltering in place, maintaining physical distances, wearing a mask, washing our hands often, covering our coughs and sneezes, and disinfecting everything often.

For the November Election, Governor Newsom issued an executive order to require all voters be mailed a ballot. This way, you can easily vote from the safety of your own home. Returning your ballot is simple using one of our 15 drive-up ballot drop boxes, or dropping it off at any of our voting locations, or mailing it in the postage paid envelope.

While we want to encourage you to vote from home using the ballot we mail you, you may need to use in-person voting options. We have identified 17 voting locations that will be open Saturday, October 31 through Tuesday, November 3 for voters. At these locations you can obtain a second ballot, drop off your voted ballot, vote an accessible ballot on the tablet, vote a Spanish ballot on the tablet, register and vote on the same day, vote provisionally, or any other voter service. If you are going to visit a voting location, please wear a mask and respect the physical distancing requirements. These efforts, along with sanitizing our hands and things we touch will help save lives. So, thank you for doing your part.

What has been abundantly clear in the last several months, is how much I appreciate the essential workers in our community. I am especially grateful to our doctors, nurses, health care workers, farmers, grocery clerks, teachers, government officials, and our election workers. Thanks to you, many of the things we have taken for granted have continued: staying healthy, eating, learning, functioning in our homes, and voting! This November, it is important now more than ever, that every citizen be given an accessible, secure, simple way to cast their vote. No one should have to risk their health to make their voices heard. We are doing our part in Santa Cruz County to make sure you have a positive and safe voting experience.

We are here to help and answer your questions. Please call us at 831-454-2060 or email info@votescount.us.

Your vote counts! Thank you for being a voter!

Santa Cruz County Clerk/Elections Department

Estimado votante,

La vida ciertamente ha cambiado desde las elecciones primarias del 3 de marzo.

Todos hemos tenido que lidiar con las realidades del Coronavirus y los protocolos de salud pública diseñados para mantenernos a todos seguros: refugiarse en el lugar, mantener distancias físicas, usar una máscara, lavarnos las manos con frecuencia, cubrirnos la tos y los estornudos, y desinfectar todo a menudo.

Para las elecciones de noviembre, el gobernador Newsom emitió una orden ejecutiva para requerir que todos los votantes reciban una boleta por correo. De esta manera, puede votar fácilmente desde la seguridad de su hogar. Devolver su boleta es simple usando una de nuestras 15 casillas de boletas de entrega, o dejándola en cualquiera de nuestros lugares de votación, o enviándola por correo en el sobre con franqueo pagado.

Si bien queremos alentarlos a votar desde su hogar utilizando la boleta que le enviamos por correo, es posible que puede necesitar usar las opciones de votación en persona. Hemos identificado 17 lugares de votación que estarán abiertos del sábado 31 de octubre al martes 3 de noviembre para los votantes. En estos lugares puede obtener una segunda boleta, dejar su boleta votada, votar una boleta accesible en la tableta, votar una boleta en español en la tableta, registrarse y votar el mismo día, votar provisionalmente o cualquier otro servicio electoral. Si va a visitar un lugar de votación, use una máscara y respete los requisitos de distanciamiento físico. Estos esfuerzos, junto con la desinfección de nuestras manos y las cosas que tocamos, ayudarán a salvar vidas. Entonces, gracias por hacer tu parte.

Lo que ha sido abundantemente claro en los últimos meses, es cuánto aprecio a los trabajadores esenciales en nuestra comunidad. Estoy especialmente agradecido con nuestros médicos, enfermeras, trabajadores de la salud, agricultores, empleados de supermercados, maestros, funcionarios gubernamentales y nuestros trabajadores electorales. Gracias a usted, muchas de las cosas que hemos dado por sentado han continuado: ¡mantenerse saludable, comer, aprender, funcionar en nuestros hogares y votar! Este noviembre, es más importante ahora más que nunca, que todos los ciudadanos tengan una forma accesible, segura y simple de emitir su voto. Nadie debería arriesgar su salud para que se escuchen sus voces. Estamos haciendo nuestra parte en el Condado de Santa Cruz para asegurarnos de que tenga una experiencia de votación positiva y segura.

Estamos aquí para ayudarlo y responder sus preguntas. Llámenos al 831-454-2060 o envíe un correo electrónico a info@votescount.us.

¡Tu voto cuenta! ¡Gracias por ser un votante!

How to vote a paper ballot

Mark your ballot

Fill in the bubble to the left of your choice.

Use only a blue or black ballpoint ink pen. Do not use red ink pens, Sharpies, markers or any other type of pen.

Do not sign your name on your ballot, write your initials, or write any other words or marks on your voted ballot.

To vote for a qualified write-in candidate, write their name on the blank line at the end of the list of candidates. Then fill in the bubble next to that name.

A list of qualified write-in candidates will be available at the voting locations. The list is posted on our website at **www.votescount.us** 13 days before the election.

Check your ballot carefully

If you make a mistake, and you are voting from home, call us at 831-454-2060 or email us at **2ndballot@votescount.us** and we will mail you a new ballot. If you are voting in person, ask a poll worker for a new ballot.

Don't vote for too many.

Vote for the number allowed.

Always fill in the bubble on a write-in vote.

Return your voted ballot

Deposit your ballot into the ballot box. Your ballot will be scanned and counted at the Elections Office located at 701 Ocean Street, Room 310, in Santa Cruz.

How to vote with the tablet to mark your ballot

At the voting location, you can choose to use the tablet to mark a paper ballot or use a pen to mark a paper ballot.

The tablet serves as a marking device that will print the voter's choices on a piece of paper that is the ballot. All voters – including those with disabilities – can vote privately and independently.

1. Tell the poll worker you want to use the tablet

- The poll worker will give you a ticket.
- Take it to the tablet area.
- When it is your turn, a poll worker will activate the tablet so you can vote.

2. Mark your ballot

- Touch the box to the right of your choices. A check mark will appear in the box.
- To change your vote, touch the box again.
- To vote for a write-in candidate, touch the box to the right of the words WRITE-IN. A keyboard will pop up. Type the write-in candidate's name, then touch OK.

3. Print your ballot

- Touch the screen to print your ballot.
- Your choices are printed on the ballot for you to review.

4. Deposit your ballot in the ballot box

- Take your ballot to the ballot box station.
- Deposit your ballot into the ballot box.

Who is on the ballot for this election?

In the November General Election, all voters receive the same ballot, no matter what political party you are registered with, or if you have no party preference. The address where you are registered to vote determines which contests are on your ballot.

In the March Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. Some candidates for local county offices in March who received enough votes to be elected without having to be in a run-off in November, others are on the ballot in a run-off election.

The candidates nominated by each political party are on the ballot.	The top two candidates – the ones with the most votes in March – are on your ballot.	Candidates for county offices on the ballot in March who did not receive at least 50% plus 1 of the vote are in a run-off in November. Language services / Servicios de idiomas

The Santa Cruz County Multilingual Voter Services program was established to provide services to voters who need language assistance.

The following election materials will be translated into Spanish and will be available at all our voting locations:

- A copy of the ballot
- Voting Instructions
- State Voter Information Guide
- Voter Bill of Rights

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot if those individuals do not represent your employer or your union. Your polling place may have poll workers ready to assist you who speak Spanish.

Spanish ballot will be mailed to you

Since all voters will be mailed a ballot for the November election, we will also mail you a copy of your ballot in Spanish. It will be in a separate mailing from your official ballot.

Background

California law requires the Secretary of State, in January before the primary election for Governor, to identify which precincts have 3% or more of the voting-age residents who are members of a single language minority and lack sufficient skills in English to vote without assistance.

El programa de Servicios de Votante Multilingüe del Condado de Santa Cruz se estableció para proporcionar servicios a los votantes que necesitan asistencia con el idioma.

Los siguientes materiales electorales se traducirán al español y estarán disponibles en todos nuestros centros de votación:

- Una copia de la boleta
- Instrucciones de votación
- Guía estatal de información al votante
- Declaración de derechos del votante

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación emplea trabajadores que le puedan asistir en español.

Se le enviará la boleta en español

Dado que todos los votantes recibirán una boleta para las elecciones de noviembre, también le enviaremos una copia de su boleta en español. Estará en un envío por correo separado de su boleta oficial.

Fondo

La ley de California requiere que el Secretario de Estado, en enero antes de la elección primaria del Gobernador, identifique qué precintos tienen el 3% o más de los residentes en edad de votar que son miembros de una minoría de un solo idioma y carecen de las habilidades suficientes para votar en inglés sin asistencia.

Cómo votar por boleta electoral de papel

Marque su boleta

Rellena la burbuja a la izquierda de su elección.

Use un bolígrafo con tinta azul o negra solamente. No utilice bolígrafo de tinta roja, Sharpies, marcadores o ningún otro tipo de bolígrafo.

No firme su nombre en su boleta, no escriba sus iniciales, no escriba otras palabras o hacer algún otro tipo de marca en la boleta que ha completado.

Para votar por un candidato que no esté en la lista, escriba el nombre del candidato en la línea en blanco al final de la lista de candidatos. Luego rellene la burbuja al lado de ese nombre.

Una lista de candidatos calificados por escrito estará disponible en los lugares de votación. La lista se publica en nuestro sitio web en www.votescount.us 13 días antes de la elección.

Revise su boleta cuidadosamente

Si comete un error y está votando desde casa, llámenos al 831-454-2060 o envíenos un correo electrónico a 2ndballot@votescount.us y le enviaremos una nueva boleta por correo. Si está votando en persona, pídale a un trabajador electoral una nueva boleta.

En las elecciones primarias de marzo todos los californianos pudieron votar para decidir qué candidatos para las oficinas federales y estatales pasarían a la elección general de noviembre. Algunos candidatos para cargos locales del condado en marzo que recibieron suficientes votos para ser elegidos sin tener que estar en una segunda vuelta en noviembre, otros están en la boleta electoral en una segunda vuelta.

COVID-19 has turned our world upside down. Millions are unemployed and have no health insurance. And as career politicians capitulate to partisan politics, they've sold out to special interests, are technologically illiterate, and have no interest in addressing our challenges. These crises can no longer rest upon out of touch leaders who are not challenging, but exploiting the sacred cows.

America is at an inflection point. This election is about sending new energy and new leadership to Washington: someone ready to take on the tough post-COVID-19 challenges and deliver solutions for all Americans.

As a Saratoga city councilmember, hi-tech executive, and community organizer, I fought for the people by reducing burglaries and defeating eight San Jose Water Company rate hikes. During the pandemic, my campaign called 86,000 seniors, helping with groceries and medications. My community trusts my "getting things done" approach, which is why I was re-elected with the most votes in Saratoga's history.

As your Congressman, I'll prioritize America's pandemic preparedness, growing our economy, and bringing manufacturing back for supply chain self-reliance. I will fight for Medicare for All, a Green New Deal, and racial inequality, all while refusing money from PACs and special interests. I don't believe in LEFT or RIGHT, but a FORWARD path of American prosperity.

Voters are tired of the same politicians and rhetoric without any meaningful progress. But with your trust, we can set America back on track. For our future, and for change, I humbly request your vote. <https://rishikumar.com/priorities>

El COVID-19 ha puesto a nuestro mundo de cabeza. Millones de personas están desempleadas y sin seguro de salud. Y a medida que los políticos de carrera se rinden ante políticas partidarias, se han vendido a intereses especiales, son analfabetos tecnológicos y no tienen ningún interés en abordar nuestras dificultades. Estas crisis ya no pueden apoyarse en líderes que han perdido el contacto y que no están cuestionando, sino explotando a las vacas sagradas.

Estados Unidos está en un punto de inflexión. En esta elección se busca enviar nueva energía y nuevo liderazgo a Washington: alguien preparado para hacerse cargo de los difíciles retos posteriores al COVID-19 y suministrar soluciones para todos los estadounidenses.

Como miembro del concejo municipal de Saratoga, ejecutivo de alta tecnología y organizador comunitario, luché por la gente al reducir los robos y rechazar ocho aumentos de tarifas de la Compañía de Suministro de Agua de San Jose. Durante la pandemia, mi campaña llamó a 86,000 ciudadanos mayores, ayudando con alimentos y medicamentos. Mi comunidad confía en mi enfoque de "lograr que las cosas se hagan", por lo que fui reelecto con el mayor número de votos en la historia de Saratoga.

Como su Congresista, priorizaré la preparación de EE. UU. para la pandemia, haciendo crecer nuestra economía y haciendo regresar la fabricación para la independencia de la cadena de suministro. Lucharé por Medicare para Todos, un Nuevo Trato Verde y la desigualdad racial, todo rechazando al mismo tiempo el dinero de PAC e intereses especiales. No creo en IZQUIERDA o DERECHA, sino en un camino HACIA ADELANTE de prosperidad estadounidense.

Los votantes están cansados de los mismos políticos y la misma retórica sin ningún progreso significativo. Pero con su confianza, podemos volver a poner a EE. UU. en su senda. Para nuestro futuro y para el cambio, humildemente solicito su voto. <https://rishikumar.com/priorities>

Anna G. Eshoo

Member of Congress 650-328-3700 anna@annaeshoo4congress.com annaeshoo4congress.com

Your family's health and safety are on my mind every day. In Washington and here at home, coronavirus starts and ends every conversation. Working with national and local health officials, I'm focused on practices and policies that will contain the virus, produce a vaccine and save lives. Last January, I sounded the alarm on COVID-19 with the administration and in February I chaired one of the first Congressional hearings on the virus to hold the administration accountable and prompt action. Through regular telephone town halls, I've presented health information and medical experts and directed people to resources that can keep them well. Your concerns and experiences, shared in these conversations, help guide my work.

Our communities reflect the serious economic impact of the pandemic. With local families and small businesses facing severe threats to their livelihoods, I voted to increase unemployment payments and small business loans, provide renter relief and mortgage deferments and support health care workers. While my efforts on important policy objectives like returning drug manufacturing to the U.S., reducing student loan debt, strengthening privacy protections, combating climate change, expanding affordable health care, addressing institutional racism and achieving Net Neutrality continue, restoring the nation's health comes first.

Our country has survived extraordinary challenges and always comes back stronger.

You inspire me to use my expertise as your Representative to ensure that we recover, not just stronger, but with a strategy and plan to safeguard our nation's health and economy. I respectfully request your vote on November 3rd.

La salud y seguridad de su familia están en mi mente todos los días. En Washington y aquí en casa, el coronavirus inicia y finaliza todas las conversaciones. Al trabajar con funcionarios sanitarios nacionales y locales, estoy centrada en prácticas y políticas que contengan al virus, produzcan una vacuna y salven vidas. En enero pasado, hice sonar la alarma con respecto al COVID-19 ante la administración y en febrero presidí una de las primeras audiencias del Congreso sobre el virus para que la administración se hiciera responsable y tomara medidas inmediatas. A través de asambleas telefónicas regulares, he presentado información sanitaria y expertos médicos y he dirigido a las personas a recursos que las puedan mantener en buen estado. Sus preocupaciones y experiencias, compartidas en esas conversaciones, ayudan a guiar mi trabajo.

Nuestras comunidades reflejan el serio impacto económico de la pandemia. Con las familias y los pequeños negocios locales enfrentando severas amenazas para sus sustentos, voté por el aumento de los pagos por desempleo y los préstamos a pequeños negocios, el suministro de alivio para inquilinos y la prórroga de hipotecas y el apoyo a los trabajadores de los cuidados de la salud. Aunque mis esfuerzos con respecto a importantes objetivos de políticas como devolver la fabricación de medicamentos a los EE. UU., reducir la deuda de préstamos estudiantiles, fortalecer las protecciones de la privacidad, combatir el cambio climático, ampliar los cuidados de la salud asequibles, abordar el racismo institucional y lograr la Neutralidad de la Red continúan, lo primero es restablecer la salud de la nación.

Nuestro país ha sobrevivido a retos extraordinarios y siempre regresa más fuerte.

Usted me inspira para usar mi pericia como su Representante para garantizar que nos recuperemos, no solo más fuertes, sino con una estrategia y un plan para salvaguardar la salud y economía de nuestra nación. Respetuosamente le solicito su voto el 3 de noviembre. www.annaeshoo4congress.com

Vicki Nohrden

Party Preference: Republican

Businesswoman www.vicki4senate.com vicki@vicki4senate.com 831-200-5922 Age: 63

I'm Vicki Nohrden. I'm running for State Senate because our state control is out of control.

In less than three months, Gavin Newsom issued more than 40 executive orders that changed hundreds of laws without oversight or accountability, shutting down businesses and closing our schools.

Sacramento thinks it can force a one-size-fits-all approach on our counties but in the process it fails small businesses, independent contractors, families, and educators, all of whom pay the price.

I stand for educational freedom and excellence. I believe parents and teachers not bureaucrats hundreds of miles away, should decide our children's futures.

I've spent my public service advocating as a Court Appointed Special Advocate (CASA), for families in the justice system, and for taxpayers as a member of the Civil Grand Jury, investigating claims of government corruption and mismanagement.

I'm not a career politician with hundreds of thousands of dollars from special interests outside the four counties in our district. I support term limits. I oppose Prop 15, one of the biggest tax increases in California history attacking the 1978 Prop 13.

Learn more about me and the issues I want to champion at www.vicki4senate.com.

As our region climbs back from COVID-19, we need fresh vision and leadership, not more tax-and-spend career politicians conducting politics-as-usual in Sacramento.

This November vote for new leadership that cares about you and your family, not Sacramento and their special interests.

I would be honored to have your vote.

Me llamo Vicki Nohrden. Me postulo para el Senado Estatal porque el control de nuestro estado está fuera de control.

En menos de tres meses, Gavin Newsom emitió más de 40 órdenes ejecutivas que cambiaron cientos de leyes sin supervisión ni rendición de cuentas, cerrando comercios y cerrando nuestras escuelas.

Sacramento piensa que puede forzar un enfoque universal para nuestros condados pero en el proceso les falla a las pequeñas empresas, los contratistas independientes, las familias y los educadores, que en su conjunto pagan el precio.

Estoy a favor de la libertad y la excelencia educativa. Creo que son los padres y maestros, no los burócratas que están a millas de distancia, son quienes deben decidir el futuro de nuestros niños.

He dedicado mi servicio público a abogar como Defensor Especial Nombrado por el Tribunal (CASA) por familias en el sistema judicial y por contribuyentes como miembro del Gran Jurado Civil, investigando denuncias de corrupción y administración indebida del gobierno.

No soy un político de carrera con cientos de miles de dólares de intereses especiales fuera de los cuatro condados de nuestro distrito. Apoyo los límites a los términos. Me opongo a la Propuesta 15, uno de los aumentos impositivos más grandes de la historia de California que ataca la Propuesta 13 de 1978.

Busque más información sobre mí y las cuestiones que quiero defender en www.vicki4senate.com.

A medida que nuestra región se recupera del COVID-19, necesitamos visión y liderazgo innovadores, no otro político de carrera que se limite a gravar impuestos y gastar llevando a cabo la política como es habitual en Sacramento.

Este noviembre vote por un nuevo liderazgo que se ocupe de usted y su familia, no de Sacramento y sus intereses especiales.

Estaría honrada de contar con su voto.

John Laird

California Secretary for Natural Resources

www.lairdforsenate.com

info@lairdforsenate.com

This past March, I received strong support from voters when I ran on a platform that called for dramatic steps to tackle climate change, the affordable housing crisis, the goal of universal healthcare coverage and the need for a more sustainable public education system.

Our world has changed in unprecedented ways since then. We are now deeply challenged by a pandemic, the bottom dropped out of our economy, and high-profile incidents of racial injustice have shaken our nation. All of these inter-related issues demand leadership and strong action.

For eight years, I served as Secretary for Natural Resources, working hard on California's climate change efforts, safeguarding agricultural land, leading the state's ocean protection program, and pushing back on federal attempts for more offshore oil drilling.

As a Mayor, City Councilmember, Transportation Commissioner, Nonprofit Director and Community College Trustee, I developed experience to tackle the key issues we now face. As an Assemblymember, I authored 82 bills signed into law, on civil rights, environmental protection, first-time homebuyers, community college health services, and more. As Assembly Budget Chair, I navigated difficult fiscal times as I fought for healthcare, education and our environment.

I have earned endorsements from teacher, firefighter, nurse and building trades organizations, as well as the League of Conservation Voters, Equality California, Governor Newsom, former Governor Brown, State Schools Superintendent Thurmond and local mayors, county supervisors and school trustees throughout Monterey, San Luis Obispo, Santa Clara and Santa Cruz Counties. I will use my experience, drive and commitment to serve the 17th Senate District. I respectfully ask for your vote.

Secretario de Recursos Naturales de California

www.lairdforsenate.com

info@lairdforsenate.com

El pasado mes de marzo, recibí un fuerte apoyo de los votantes cuando me postulé en una plataforma que reclamaba medidas drásticas para poner fin al cambio climático, la crisis de viviendas asequibles, el objetivo de cobertura universal de cuidados de la salud y la necesidad de un sistema de educación pública más sostenible.

Nuestro mundo ha cambiado de formas sin precedentes desde entonces. Ahora tenemos el reto profundo de una pandemia, la caída de nuestra economía que parece no tocar fondo e incidentes de injusticia racial de gran notoriedad que han sacudido a nuestra nación. Todas estas cuestiones interrelacionadas exigen liderazgo y medidas firmes.

Durante ocho años, presté servicios como Secretario de Recursos Naturales, trabajando con ahínco en esfuerzos por el cambio climático de California, salvaguardando tierras agrícolas, liderando el programa estatal de protección del océano y haciendo retroceder intentos federales de proseguir con las perforaciones petroleras de alta mar.

Como Alcalde, Miembro del Concejo Municipal, Comisionado de Transporte, Director de Organizaciones Sin Fines de Lucro y Síndico de Colegio Comunitario, desarrollé experiencia para poner fin a los problemas clave que enfrentamos. Como Miembro de la Asamblea, fui autor de 82 proyectos de ley promulgados como leyes, sobre derechos civiles, protección ambiental, compradores de primera casa, servicios de salud de colegios comunitarios y mucho más. Como Presidente de Presupuesto de la Asamblea, atravesé tiempos fiscales difíciles mientras luchaba por los cuidados de la salud, la educación y nuestro medio ambiente.

He obtenido el aval de organizaciones de maestros, bomberos, enfermeros y trabajadores de oficios de la construcción, así como la Liga de Votantes por la Conservación, Igualdad California, el Gobernador Newsom, el ex Gobernador Brown, el Superintendente de Escuelas Estatales Thurmond y alcaldes locales, supervisores de condado y síndicos escolares a lo largo de todos los Condados de Monterey, San Luis Obispo, Santa Clara y Santa Cruz. Usaré mi experiencia, impulso y compromiso para servir al Distrito 17 del Senado. Respetuosamente le pido su voto.

Assemblymember friendsofmarkstone.org info@friendsofmarkstone.org 831-234-5885 Age: 63

For over twenty years, I have fought to improve the quality of life in California as a School Board Member, County Supervisor, Coastal Commissioner and your Assemblymember. In 2012, you sent me to Sacramento to advocate for the rights of people in the 29th Assembly District and across our state.

During my service in the Assembly, my priorities have been clear: protecting the most vulnerable Californians and protecting our environment. I am engaged in comprehensive reforms to help foster youth grow up in supportive homes; leading the movement to create a state Earned Income Tax Credit to lift the state's poorest working families out of poverty; and improving access to justice in the court system. I have written many laws to improve public safety, especially by helping people released from prison successfully integrate into their communities, and decrease their chances of reoffending.

As a dedicated environmentalist, I steadfastly support critical environmental protections, advocating for landmark climate-change laws, and laws to provide clean drinking water, increase water recycling, improve groundwater management and decrease plastic pollution. I provide a leading voice in the effort to protect our oceans as we adapt to a changing climate.

It is an honor to have the support of so many elected officials, respected business leaders, education, and health care professionals and the environmental community. I hope that I have earned your vote.

Miembro de la Asamblea friendsofmarkstone.org info@friendsofmarkstone.org 831-234-5885 Edad: 63

Durante casi veinte años, he luchado como Miembro de la Junta Escolar, Supervisor del Condado, Comisionado Costero y Miembro de la Asamblea para mejorar la calidad de vida en California. En 2012, usted me envió a Sacramento para abogar por los derechos de la gente en el Distrito de Asamblea 29 y en todo nuestro estado.

Durante mi servicio en la Asamblea, mis prioridades han sido claras: proteger a los ciudadanos de California más vulnerables y proteger nuestro medio ambiente. Estoy comprometido con reformas integrales que ayuden a los jóvenes en cuidado sustituto a crecer en hogares receptivos; liderar el movimiento para crear un Crédito Tributario al Ingreso Obtenido estatal para sacar de la pobreza a las familias trabajadoras que menos tienen en el estado; y mejorar el acceso a la justicia en el sistema judicial. He redactado muchas leyes para mejorar la seguridad pública, especialmente ayudando a las personas liberadas de prisión para que se integren exitosamente en sus comunidades, y para reducir las probabilidades de reincidencias.

Como ambientalista dedicado, apoyo firmemente protecciones medioambientales fundamentales, abogo por leyes relevantes sobre el cambio climático, y leyes para proporcionar agua potable, aumentar el reciclaje de agua, mejorar el manejo del agua subterránea y disminuir la contaminación por plástico. Ofrezco una voz líder en el esfuerzo para proteger nuestros océanos a medida que nos adaptamos a un clima cambiante.

Es un honor contar con el respaldo de muchos funcionarios electos, líderes respetados en el ámbito de los negocios, la educación y la atención de la salud y de la comunidad de ambientalistas. Espero haberme ganado su voto.

Assistant County Counsel

Age: 62

I will bring experience, integrity and diversity to the Santa Cruz County Superior Court.

During my 34 years as both a Santa Cruz County Public Defender and an Assistant Santa Cruz County Counsel, I handled thousands of cases, including adult and juvenile criminal matters, child protective cases and gun violence restraining orders. These years of trial experience has taught me that listening and treating people with respect is vital in our system of justice. My commitment to honoring these values not only helps ensure I will be a fair and effective judge but has also led to endorsements from many people and groups who, as a lawyer, sat on the other side of the table from me in court.

I will work hard, listen carefully, generate new ideas and serve our entire community. I have earned the respect, support and endorsement of numerous Santa Cruz County Superior Court Judges, California Assemblymember Mark Stone, Santa Cruz County Sheriff Jim Hart, members of both the Santa Cruz County Public Defender and the Santa Cruz County District Attorney, the Santa Cruz County Deputy Sheriff's Association, and the Santa Cruz County Women's Democratic Club.

Santa Cruz is my community. My wife, Janet, and I raised our two daughters in Santa Cruz, where I coached local girls' soccer teams for ten years. I served on the Board of Directors of Familia Center, the Santa Cruz County Women Lawyers, and the Santa Cruz County Bar Association.

I would be honored to receive your vote.

Edad: 62

Aportaré experiencia, integridad y diversidad al Tribunal Superior del Condado de Santa Cruz.

Durante mis 34 años como Defensora Pública del Condado de Santa Cruz y como Asistente de Abogado del Condado de Santa Cruz, manejé miles de casos, incluyendo asuntos penales juveniles y de adultos, casos de protección infantil y órdenes de restricción de violencia armada. Esos años de experiencia judicial me han enseñado que escuchar y tratar a las personas con respeto es vital en nuestro sistema judicial. Mi compromiso de respetar estos valores no solo contribuye a garantizar que seré justa y efectiva como jueza sino que además ha dado lugar al aval de numerosas personas y grupos que, como abogada, veía sentados del otro lado de la mesa en el tribunal.

Trabajaré con ahínco, escucharé con atención, generaré nuevas ideas y serviré a toda nuestra comunidad. Me he ganado el respeto, apoyo y aval de numerosos Jueces del Tribunal Superior del Condado de Santa Cruz, el Asambleísta de California Mark Stone, el Alguacil del Condado de Santa Cruz Jim Hart, los miembros tanto de la Defensoría Pública del Condado de Santa Cruz como de la Fiscalía del Condado de Santa Cruz, la Asociación de Ayudantes de Alguacil del Condado de Santa Cruz y el Club Democrático de Mujeres del Condado de Santa Cruz.

Santa Cruz es mi comunidad. Mi esposa, Janet, y yo criamos a nuestras dos hijas en Santa Cruz, donde fui instructora de equipos locales de fútbol de niñas durante diez años. Serví en la Junta de Directores del Centro Familiar, las Abogadas del Condado de Santa Cruz y el Colegio de Abogados del Condado de Santa Cruz.

Erin Asheghian

Community Volunteer

erin.asheghian@gmail.com

Age: 40

As a mountain parent, I am keenly aware of the need to sustain local schools that are educationally and fiscally strong.

As Treasurer of the Loma Public Education Fund, I helped fundraise and manage over \$1,000,000 supporting music, art, STEM, and other programs for our schools. Previously, I served on the Building Blocks Preschool Steering Committee and helped to restructure the program based on the concerns of parents.

I helped lead the passage of Measure R which brought over \$10,000,000 to improve our school site because modern facilities improve education and provide community use spaces to gather and depend on regularly and during emergencies.

Small school districts face many fiscal and operational challenges made even more difficult by the current health crisis. My professional background blends sociology, non-profit management, and community health. I worked with professionals in the justice system to improve health outcomes and create funding streams for innovative programs. My strengths lie in building community, managing complex data, and budget analysis.

This background helps me understand what makes our schools successful and the drive to help them improve. I will work diligently for high standards of education, a safe campus, and fiscal security for LPJUSD.

Alexandra Hall

Appointed Incumbent

I was humbled and honored to be appointed to fill a seat on the school board in 2019. As the Covid19 pandemic has demonstrated, schools and the services they provide are essential to our community and its wellbeing. Ensuring we have a plan that properly serves our students and our community when we have limited resources, competing priorities and changing local and state directives, is a challenging task.

If elected to continue as a school board member, I will work hard with fellow board members and our excellent leaders, using the entrepreneurial can-do spirit and creative thinking I have demonstrated in my aerospace career, along with the fiscal stewardship and sustainability I have modeled in my non profit leadership roles.

I will advocate for a safe, innovative, flexible and caring learning environment for our students, leaders, teachers, staff. I will continue to seek ways to integrate more non-parent community members and groups into school life to enrich everyone. As an autistic woman, I value diversity and inclusion.

I moved to 95033 in 2006, and I volunteer with local groups to increase our resilience and connections to each other. My son is a student at Loma Prieta Elementary.

Alexandra Hall

Titular Nombrada

Me sentí halagada y honrada al ser nombrada para ocupar un puesto en la junta escolar en 2019. Como ha demostrado la pandemia de Covid19, las escuelas y los servicios que prestan son esenciales para nuestra comunidad y su bienestar. Garantizar que tengamos un plan que sirva correctamente a nuestros estudiantes y nuestra comunidad cuando contamos con recursos limitados, prioridades en competencia y directivas locales y estatales cambiantes es una tarea desafiante.

Si soy electa para continuar como miembro de la junta escolar, trabajaré con ahínco con los colegas miembros de la junta y nuestros excelentes líderes, usando el espíritu empresarial de que se puede y el pensamiento creativo que he demostrado en mi carrera aeroespacial, junto con la administración fiscal y la sostenibilidad que he expuesto en mis funciones de liderazgo sin fines de lucro.

Abogaré por un ambiente de aprendizaje seguro, innovador, flexible y afectuoso para nuestros estudiantes, maestros y personal. Seguiré buscando maneras de integrar a más miembros y grupos de la comunidad que no sean padres a la vida escolar para enriquecer a todos. Como mujer autista, valoro la diversidad y la inclusión.

Me mudé a 95033 en 2006 y trabajo voluntariamente con grupos locales para aumentar nuestra resiliencia y las conexiones de unos con otros. Mi hijo es estudiante en la Primaria de Loma Prieta.

Como madre de un futuro estudiante de Loma y orgullosa miembro de nuestra comunidad, estoy comprometida con hacer que nuestras escuelas sean excepcionales. Me postulo para la junta escolar porque creo en el valor de la educación pública y creo en nuestros niños.

Soy licenciada en Comunicaciones y tengo una Maestría en Artes en Educación de Consejeros y Personal para Estudiantes. Tengo una Credencial de Servicios para Personal para Alumnos en Consejería Escolar y brindé servicios a adolescentes como Consejera sobre Drogas y Alcohol y Especialista en Prevención de Abuso de Sustancias Certificada. Serví como Directora Operativa para una organización sin fines de lucro que brinda servicios a jóvenes en riesgo, donde garanticé que nuestra organización cumpliera con su misión y se mantuviera por debajo del presupuesto. Más recientemente, trabajé en el aula como maestra de educación especial.

Trabajaré con diligencia para ayudar a que nuestro distrito opere dentro del presupuesto. Me enfocaré en sobresalir en nuestra misión educativa central, esforzarme para cubrir las necesidades académicas de nuestros estudiantes en su nivel y preparar a los estudiantes para que tomen decisiones responsables y seguras una vez que estén en la escuela secundaria. Me halagaría y honraría representarlo en la junta.

John Leopold

County Supervisor www.friendsofjohnleopold.com john@friendsofjohnleopold.com 831-566-0122 Age: 54

Leadership matters more than ever. As your Supervisor, I'm using my experience to lead our county through the crisis of COVID-19.

Tackling COVID-19

We flattened the curve early by listening to the experts, but the road ahead is challenging. With a public health background and twelve years on the Board, I have the experience needed to make the right choices.

Saving Money on Water

I'm fighting for you on other important issues. The City of Santa Cruz Water District charges residents living outside city limits 14.5% more for the same water. I have advocated for rate cuts in the past. Now I'm working to eliminate the unfair surcharge altogether.

Addressing Climate Change

Santa Cruz County needs a Climate Action Manager to coordinate the urgent response to sea level rise and wildfires. We must fund infrastructure improvements to protect our community from its impacts.

As Black Lives Matter protests have vividly demonstrated, Santa Cruz County must address racism, economic and social injustices. That's why I founded Smart On Crime, supported restorative justice and will continue to push for effective criminal justice reform.

No one will outwork me. No one will listen more attentively. Send me your ideas: john@friendsofjohnleopold.com.

On November 3, please vote for John Leopold for Supervisor.

John Leopold

Supervisor de Condado www.friendsofjohnleopold.com john@friendsofjohnleopold.com 831-566-0122 Edad: 54

Los asuntos de liderazgo son más importantes que nunca. Como su Supervisor, estoy usando mi experiencia para dirigir a nuestro condado a través de la crisis de COVID-19.

Poner fin a la COVID-19

Aplanamos la curva prematuramente al escuchar a los expertos, pero el camino que tenemos por delante es difícil. Con antecedentes en salud pública y doce años en la Junta, tengo la experiencia necesaria para hacer las elecciones correctas.

Ahorrar dinero en agua

Estoy luchando por usted en otras cuestiones importantes. El Distrito de Suministro de Agua de la Ciudad de Santa Cruz les cobra a los residentes que viven fuera de los límites municipales un 14.5 % más por la misma agua. He abogado por recortes de tarifa en el pasado. Ahora estoy trabajando para eliminar totalmente el sobrecargo injusto.

Abordar el cambio climático

El Condado de Santa Cruz necesita un Gerente de Medidas Climáticas para que coordine la respuesta urgente al aumento del nivel del mar y los incendios forestales. Debemos financiar mejoras de infraestructura para proteger a nuestra comunidad de sus impactos.

Como ha sido demostrado de manera clara por las protestas de Black Lives Matter, el Condado de Santa Cruz debe abordar las injusticias de racismo, económicas y sociales. Es por eso que fundé Smart On Crime, apoyé la justicia reparadora y seguiré impulsando una reforma efectiva de la justicia penal.

Nadie trabajará más que yo. Nadie escuchará con más atención. Envíeme sus ideas: john@friendsofjohnleopold.com.

El 3 de noviembre, vote por John Leopold para Supervisor.

Non-profit Executive Director manukoenig.com manuforsupervisor@gmail.com 831-471-7038 Age: 35

As a 3rd generation Santa Cruz County resident, I want our county to be a place where youth, singles, families and seniors all thrive.

As the founder of Civinomics, my company worked with city and county governments for over a decade to respond directly to voters' concerns. I graduated from Stanford and have served on the Board of Directors for my own business, as well as that of Digital Nest, and the City of Santa Cruz's Downtown Commission.

I know that doing things differently starts by working with you, the voter. I will rebuild county services based on your needs, learn from you to improve them, and invest your money wisely.

Today our county is stuck. We continue to study a \$1.3 billion train that we can't afford. A car dealership in Soquel was approved where residents and the Sustainable Santa Cruz Plan called for a community center. Our county roads scored an "F". We received \$10.5 million from the State in 2019 to relieve homelessness, but didn't build a single home.

It's time for a new approach. Helping our county recover from the pandemic and making progress for the Black Lives Matter movement require new thinking.

I'd be honored to serve as "your voice for change" in creating a better Santa Cruz County for all.

Manu Koenig

Director Ejecutivo de Organización Sin Fines de Lucro
manukoenig.com manuforsupervisor@gmail.com 831-471-7038 Edad: 35

Como tercera generación de residentes del Condado de Santa Cruz, quiero que nuestro condado sea un lugar donde tanto jóvenes como personas solteras, familias y ciudadanos mayores prosperen.

Civinomics, la compañía que fundé, trabajó con los gobiernos de la ciudad y el condado durante más de una década para responder directamente a las inquietudes de los votantes. Me gradué en Stanford y he servido en la Junta de Directores de mi propia empresa, así como en la de Digital Nest y en la Comisión del Centro de la Ciudad de Santa Cruz.

Sé que para hacer las cosas de manera diferente hay que comenzar por trabajar con usted, el votante. Reconstruiré los servicios del condado con base en sus necesidades, me informaré con usted para mejorarlos e invertiré su dinero con sabiduría.

Actualmente nuestro condado está estancado. Seguimos estudiando un tren de \$1.3 mil millones que no podemos pagar. Se aprobó una concesionaria de automóviles en Soquel donde los residentes y el Plan de Santa Cruz Sostenible reclamaban un centro comunitario. Los caminos de nuestro condado fueron clasificados con una "F". Recibimos \$10.5 millones del Estado en 2019 para aliviar la indigencia, pero no se construyó ni una casa.

Es hora de un nuevo enfoque. Ayudar a que nuestro condado se recupere de la pandemia y hacer que el movimiento de Black Lives Matter progrese requieren un pensamiento nuevo.

Sería un honor servirle como "su voz para el cambio" en la creación de un mejor Condado de Santa Cruz para todos.

VOTE YES on Measure N to protect the outstanding education students receive at Loma Prieta Elementary School and C.T. English Middle School <u>without raising tax rates!</u> Loma Prieta Elementary and C.T. English Middle schools are part of what makes our mountain community unique. Great teachers and rigorous math, science, history, reading, and writing curriculum have prepared generations of mountain children to succeed in high school, college, and careers. Unfortunately, years of state budget cuts have hurt our mountain schools. And now, with the ongoing financial effects of the coronavirus pandemic, we face tens of thousands of dollars in further lost revenues. Measure N is necessary! We depend on local revenue to supplement limited State funding. Measure N does NOT increase tax rates. It simply extends our already existing modest parcel tax, which would otherwise expire after the 2020-21 school year. Measure N won't solve all our funding needs, but it will help retain exceptional teachers and protect core programs in our mountain schools. The funds Measure N will protect are critical to our district, helping us: • Maintain outstanding core academic programs in reading, writing, math, history, and science • Retain highly qualified and experienced teachers • Prepare Loma Prieta and C.T. English students to thrive in a rigorous high school environment Taxpayer protections are REQUIRED. NO funds are allowed for administrators' salaries. Independent Citizens' Oversight and mandatory audits are required for fiscal accountability. Measure N costs less than \$14 a month for property owners. A senior citizen exemption is available. Every penny stays local to benefit Loma Prieta and C.T. English schools and students only. This money <u>cannot</u> be taken away by the State. Whether or not you have school-age children, protecting the high quality of our public education is a wise investment. Good schools protect property values and keep our mountain community strong. FACT: An "extended" tax is a NEW TAX. FACT: State funding is <i>supposed</i> to be limited for our district! The proponents neglect to mention that Loma Prieta Joint Union School District is one of only 10% of California schools known as "Excess Tax Districts," meaning our local revenues exceed state funding limits. Why? Because your property taxes are already through the roof! Our "Excess Tax District" brings in much more per pupil than other districts that rely on state funding. And according to the district's own data, our limited state revenue has actually been increasing! Don't be deceived by this misleading argument. FACT: The COVID impact on revenue is negligible. Argument against Measure N	Rebuttal to argument against Measure N
Voters should reject this new tax. The Loma Prieta Joint Union School District received a \$164 per parcel tax increase in 2013, with the promise that it would be a temporary 7-year stop-gap measure. <i>“Nothing is as permanent as a temporary tax.”</i> Since 2000, there have been 8(!) tax increases on the ballot in our district. In 2018, the district received a new tax which indebts our students and community until the year 2052! District leadership has been deficit spending for years, even with the soon-to-expire parcel tax funds. They take for granted that the supply of taxpayer dollars is endless. Taxpayers must live within their means - and so should the Loma Prieta Joint Union School District. Spending per student has increased to \$15,842 per year - or 121% of the state average. Enrollment is decreasing and property tax revenue is increasing. Poor fiscal management leaves us facing new taxes every two years and constant appeals for donations. The dedicated and hard-working teaching staff in our district deserve a sustainable budget that recognizes fiscal realities. Flat-rate parcel taxes especially impact the poorest members of our community. Consider how this new tax will disproportionately affect families who are already struggling financially – \$1,968 over the course of the tax. Recruiting and retaining qualified teachers cannot be furthered by worsening our already absurd tax rates and housing costs. District leadership has demonstrated contempt for transparency and public accountability, and it is irrational to give them more money. Consider recent revelations of many tens of thousands of taxpayer dollars spent on investigations and reports still being improperly withheld from the public. We can best serve our kids and community by demanding responsible fiscal management and by focusing on developing students’ core academic skills. Local ballot measure: N – Loma Prieta School Tax

Impartial Analysis of Measure N

Jason M. Heath, County Counsel

By: Ruby Márquez, Chief Assistant County Counsel

Under the California Constitution and other related state laws, school districts may levy an education parcel tax if approved by at least 66% percent (two-thirds) of voters within the boundaries of that district. Parcel taxes are paid equally by all property owners, regardless of the size or value of the property.

The Board of Trustees of the Loma Prieta Joint Union School District (“the School District”) proposes renewing an existing parcel tax in the amount of \$164 per parcel annually for a period of seven years, beginning July 1, 2021. The School District anticipates this tax would raise \$328,000 annually.

This parcel tax is an extension of Measure “H” which was approved in 2014 by the voters of this School District for a period of seven years. The amount of the parcel tax for this proposed measure remains the same as Measure “H,” at \$164 per parcel.

Within the full body of the proposed measure, the School District has submitted a specific description of how the funds will be spent, which is limited to:

- Retaining highly qualified and experienced teachers;
- Maintaining and protecting core academic programs in reading, writing, math, history, and science; and
- Preparing students for high school.

As required by law, the School District must follow certain accountability provisions during the duration of the parcel tax. This includes creating a special account into which the proceeds shall be deposited. Additionally, the School District will be required to publish an annual report describing the amount of taxes collected and expended as well as the status of any projects funded by these proceeds. Finally, the School District will maintain its existing independent Citizens’ Oversight Committee to review all expenditures made with the parcel tax revenues.

If this measure passes, the School District will automatically extend the list of property owners who are currently exempt from paying the parcel tax, which includes persons who are 65 years of age or older and/or specified recipients of SSI and SSDI regardless of age.

Measure N was placed on the ballot by the Board of Trustees of the Loma Prieta Joint Union School District.

A “yes” vote on Measure N is a vote to continue the current special parcel tax in the amount of \$164 for a period of seven years.

A “no” vote on Measure N is a vote against continuing the special parcel tax.

INTRODUCTION AND PURPOSE

To support academic excellence to retain and attract quality teachers, and to provide local reliable funding for local schools that cannot be taken by the State, with no proceeds used for administrators’ salaries, benefits and pensions, the Loma Prieta Joint Union Elementary School District (“District”) proposes to extend without increasing its existing school parcel tax for a period of seven (7) years, starting on July 1, 2021, at a rate of \$164 per parcel per year, with an exemption available for senior citizens and certain disabled persons, and to implement accountability measures, including citizen oversight, to ensure the funds are used to help:

- Retain highly qualified and experienced teachers;
- Maintain and protect strong core academic programs in reading, writing, math, history and science;
- Prepare students for high school;

Pursuant to Government Code Section 50075.1, the proceeds of the school parcel tax shall only be applied for the purposes stated above. The proceeds of the parcel tax shall be deposited into a separate account created by the District.

UNDER NO CIRCUMSTANCES SHALL ANY OF THE PROCEEDS OF THE SCHOOL PARCEL TAX BE USED FOR ADMINISTRATORS’ SALARIES, BENEFITS OR PENSIONS.

Local ballot measure: N – Loma Prieta School Tax

DEFINITION OF “PARCEL”

For purposes of the parcel tax, the term “Parcel” means any parcel of land which lies wholly or partially within the boundaries of the Loma Prieta Joint Union Elementary School District that receives a separate tax bill for *ad valorem* property taxes from either the Santa Clara County Assessor or the Santa Cruz County Assessor, as applicable. All property that is otherwise exempt from or upon which are levied no *ad valorem* property taxes in any year shall also be exempt from the parcel tax in such year.

For purposes of this parcel tax, any such “Parcels” which are (i) contiguous, and (ii) used solely for owner-occupied, single-family residential purposes, and (iii) held under identical ownership may, by submitting to the District an application of the owners thereof by June 15 of any year, be treated as a single “parcel” for purposes of the levy of the school parcel tax.

EXEMPTION FOR SENIORS AND SSI RECIPIENTS

Pursuant to Government Code Section 50079(b)(1), any owner of a Parcel used solely for owner-occupied, single-family residential purposes and who are either (a) 65 years of age or older on or before June 30 of the fiscal year immediately preceding the year in which the tax would apply, or (b) persons receiving Supplemental Security Income for a disability, regardless of age, or (c) receiving Social Security Disability Insurance benefits, regardless of age, whose yearly income does not exceed 250 percent of the 2012 federal poverty guidelines issued by the United States Department of Health and Human Services, may obtain an exemption from the parcel tax by submitting an application therefore, by June 15 of any year, to the District.

Persons who are owners of Parcels used solely for owner-occupied, single-family residential purposes and currently exempted from the District’s Measure H parcel tax shall automatically be exempted from this Measure without having to file a new application.

The District may establish administrative procedures to periodically verify the continuance of any previously granted exemption.

With respect to all general property tax matters within their respective jurisdictions, either the Santa Clara County or the Santa Cruz County Treasurer and Tax Collector or other appropriate county tax officials, shall make all final determinations of tax exemption or relief for any reason, and that decision shall be final and binding. With respect to matters specific to the levy of the school parcel tax, including any exemptions and the classification of property for purposes of calculating the tax, the decisions of the District shall be final and binding.

REDUCTION IN TAX IF RESULT IS LESS OTHER GOVERNMENT SUPPORT

The collection of the parcel tax is not intended to decrease or offset any increase in local, state or federal government revenue sources that would otherwise be available to the District during the period of the parcel tax. In the event that the levy and collection does have such an effect, the District may cease the levy or shall reduce the parcel tax to the extent that such action would restore the amount of the decrease or offset in other revenues that would otherwise occur.

ACCOUNTABILITY MEASURES

In accordance with the requirements of California Government Code Sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the parcel tax levied in accordance with this Measure: (a) the specific purposes of the parcel tax shall be those purposes identified above; (b) the proceeds of the parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Trustees of the District showing (i) the amount of funds collected and expended from the proceeds of the school parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the parcel tax, as identified above; and (e) the District will maintain its existing parcel tax oversight committee to review the expenditure of parcel tax revenues.

Ballot safety and security

Postmark + 17 (new law)

Ballots that are postmarked on or before Election Day or are time stamped or date stamped by a bona fide private mail delivery company on or before Election Day and received by the county elections official by November 20, the 17th day after the election, shall be considered received on time.

The signature on the ballot envelope is compared to the signature on file by humans

The tab covering your signature will be removed by staff when your ballot arrives. It will then be sent through a ballot processing unit that will capture the signature. An elections clerk will then look at every signature on every ballot and compare it to your signatures we have on file for you from your voter registration card or past vote-by-mail ballots.

If you forgot to sign your envelope, we will mail you a Signature Statement so you can provide your signature.

If your signature does not compare, a second elections official will inspect your signature. If they do not believe it compares, the County Clerk or the Assistant County Clerk will determine if your ballot should be challenged due to a signature that does not compare.

If your ballot is challenged, you will be contacted using the information on the ballot envelope. If you cannot be reached by telephone or email, we will mail you a letter with a Signature Statement so you can cure your signature.

The Signature Statement, which will also be posted online at www.votescount.us may be returned to the county elections official by mail, FAX, email, hand-delivered, or dropped off at a voting location or drop box if we have contacted you before Election Day. The Signature Statement must be received by the elections official by November 29.

No electioneering

No one can solicit the vote of a vote-by-mail voter, or do any electioneering, while in the residence or in the immediate presence of the voter, and during the time he or she knows the vote-by-mail voter is voting.

Any person who knowingly violates this section is guilty of a misdemeanor.

Don't let a stranger return your ballot

There have been concerns raised about ballot collection from third parties. California changed the ballot return law in 2016 to allow any person to return a ballot for a voter. The person returning the ballot must print their name, sign their name, and provide their relationship to the voter on the outside of the envelope. The law used to require the third party to be a relative, household member or the caretaker of the voter.

If a voter cannot return their ballot without assistance, they are encouraged to enlist the help of someone they know and trust. If they do not have anyone available, they can call our office at 831-454-2060 and we will send an elections official to pick up the ballot.

What about voter fraud?

In a Washington Post analysis of data collected by three vote-by-mail states with help from the nonprofit Electronic Registration Information Center (ERIC) found that officials identified just 372 possible cases of double voting or voting on behalf of deceased people out of about 14.6 million votes cast by mail in the 2016 and 2018 general elections, or 0.0025%.

The Heritage Foundation maintains a database of all recent instances of recorded voter fraud and found just 204 reported cases involving the fraudulent use of vote-by-mail ballots over the past 20 years — only 143 resulted in convictions. That means that over the last two decades, about 0.00006% of total vote-by-mail votes cast were fraudulent.

In Santa Cruz County, since 1993 there has been 1 case of voter fraud where a property owner voted and returned a ballot for a tenant. The landlord was caught during the county's standard signature checking procedures.

Most cases are people guilty of "over-helping." Spouses signing for the other. Parents signing for their children.

Bottom line. It is your ballot. Sign the envelope in your own handwriting!

If you see something, say something!

If you suspect voter fraud, please contact the Secretary of State. They have a complaint form posted online at <https://www.sos.ca.gov/elections/publications-and-resources/voter-complaint/>. You may also call the Secretary of State at: English: (916) 657-2166 or (800) 345-VOTE (8683). Spanish: (800) 232-VOTA (8682).

You may also contact the Santa Cruz County Clerk at 831-454-2060 or info@votescount.us. The County Clerk is not authorized to do investigations, so the office will refer the case to the appropriate local agency.
