Dear Voter,

Life has certainly changed since the March 3 Primary Election.

We have all had to deal with the realities of Coronavirus and the public health protocols designed to keep us all safe: sheltering in place, maintaining physical distances, wearing a mask, washing our hands often, covering our coughs and sneezes, and disinfecting everything often.

For the November Election, Governor Newsom issued an executive order to require all voters be mailed a ballot. This way, you can easily vote from the safety of your own home. Returning your ballot is simple using one of our 15 drive-up ballot drop boxes, or dropping it off at any of our voting locations, or mailing it in the postage paid envelope.

While we want to encourage you to vote from home using the ballot we mail you, you may need to use in-person voting options. We have identified 17 voting locations that will be open Saturday, October 31 through Tuesday, November 3 for voters. At these locations you can obtain a second ballot, drop off your voted ballot, vote an accessible ballot on the tablet, vote a Spanish ballot on the tablet, register and vote on the same day, vote provisionally, or any other voter service. If you are going to visit a voting location, please wear a mask and respect the physical distancing requirements. These efforts, along with sanitizing our hands and things we touch will help save lives. So, thank you for doing your part.

What has been abundantly clear in the last several months, is how much I appreciate the essential workers in our community. I am especially grateful to our doctors, nurses, health care workers, farmers, grocery clerks, teachers, government officials, and our election workers. Thanks to you, many of the things we have taken for granted have continued: staying healthy, eating, learning, functioning in our homes, and voting! This November, it is important now more than ever, that every citizen be given an accessible, secure, simple way to cast their vote. No one should have to risk their health to make their voices heard. We are doing our part in Santa Cruz County to make sure you have a positive and safe voting experience.

We are here to help and answer your questions. Please call us at 831-454-2060 or email info@votescount.us.

Your vote counts! Thank you for being a voter!

Santa Cruz County Clerk/Elections Department

Estimado votante,

La vida ciertamente ha cambiado desde las elecciones primarias del 3 de marzo.

Todos hemos tenido que lidiar con las realidades del Coronavirus y los protocolos de salud pública diseñados para mantenernos a todos seguros: refugiarse en el lugar, mantener distancias físicas, usar una máscara, lavarnos las manos con frecuencia, cubrirnos la tos y los estornudos, y desinfectar todo a menudo.

Para las elecciones de noviembre, el gobernador Newsom emitió una orden ejecutiva para requerir que todos los votantes reciban una boleta por correo. De esta manera, puede votar fácilmente desde la seguridad de su hogar. Devolver su boleta es simple usando una de nuestras 15 casillas de boletas de entrega, o dejándola en cualquiera de nuestros lugares de votación, o enviándola por correo en el sobre con franqueo pagado.

Si bien queremos alentarle a votar desde su hogar utilizando la boleta que le enviamos por correo, es posible que puede necesitar usar las opciones de votación en persona. Hemos identificado 17 lugares de votación que estarán abiertos del sábado 31 de octubre al martes 3 de noviembre para los votantes. En estos lugares puede obtener una segunda boleta, dejar su boleta votada, votar una boleta accesible en la tableta, votar una boleta en español en la tableta, registrarse y votar el mismo día, votar provisionalmente o cualquier otro servicio electoral. Si va a visitar un lugar de votación, use una máscara y respete los requisitos de distanciamiento físico. Estos esfuerzos, junto con la desinfección de nuestras manos y las cosas que tocamos, ayudarán a salvar vidas. Entonces, gracias por hacer tu parte.

Lo que ha sido abundantemente claro en los últimos meses, es cuánto aprecio a los trabajadores esenciales en nuestra comunidad. Estoy especialmente agradecido con nuestros médicos, enfermeras, trabajadores de la salud, agricultores, empleados de supermercados, maestros, funcionarios gubernamentales y nuestros trabajadores electorales. Gracias a usted, muchas de las cosas que hemos dado por sentado han continuado: ¡mantenerse saludable, comer, aprender, funcionar en nuestros hogares y votar! Este noviembre, es más importante ahora más que nunca, que todos los ciudadanos tengan una forma accesible, segura y simple de emitir su voto. Nadie debería arriesgar su salud para que se escuchen sus voces. Estamos haciendo nuestra parte en el Condado de Santa Cruz para asegurarnos de que tenga una experiencia de votación positiva y segura.

Estamos aquí para ayudarlo y responder sus preguntas. Llámenos al 831-454-2060 o envíe un correo electrónico a info@votescount.us.

¡Tu voto cuenta! ¡Gracias por ser un votante!

Use only a blue or black ballpoint ink pen. Do not use red ink pens, Sharpies, markers or any other type of pen.

Do not sign your name on your ballot, write your initials, or write any other words or marks on your voted ballot.

To vote for a qualified write-in candidate, write their name on the blank line at the end of the list of candidates. Then fill in the bubble next to that name.

A list of qualified write-in candidates will be available at the voting locations. The list is posted on our website at **www.votescount.us** 13 days before the election.

Check your ballot carefully

If you make a mistake, and you are voting from home, call us at 831-454-2060 or email us at **2ndballot@votescount.us** and we will mail you a new ballot. If you are voting in person, ask a poll worker for a new ballot.

Vote for the number allowed.

Always fill in the bubble on a write-in vote.

Return your voted ballot

How to vote with the tablet to mark your ballot

At the voting location, you can choose to use the tablet to mark a paper ballot or use a pen to mark a paper ballot.

1. Tell the poll worker you want to use the tablet

- The poll worker will give you a ticket.
- Take it to the tablet area.
- When it is your turn, a poll worker will activate the tablet so you can vote.

2. Mark your ballot

- Touch the box to the right of your choices. A check mark will appear in the box.
- To change your vote, touch the box again.
- To vote for a write-in candidate, touch the box to the right of the words WRITE-IN. A keyboard will pop up. Type the write-in candidate's name, then touch OK.

3. Print your ballot

- Touch the screen to print your ballot.
- Your choices are printed on the ballot for you to review.

4. Deposit your ballot in the ballot box

- Take your ballot to the ballot box station.
- Deposit your ballot into the ballot box.

Who is on the ballot for this election?

In the November General Election, all voters receive the same ballot, no matter what political party you are registered with, or if you have no party preference. The address where you are registered to vote determines which contests are on your ballot.

In the March Primary Election, all Californians were able to vote to decide which candidates for federal and state offices moved on to the November General Election. Some candidates for local county offices in March who received enough votes to be elected without having to be in a run-off in November, others are on the ballot in a run-off election.

The candidates nominated by each political party are on the ballot.	The top two candidates – the ones with the most votes in March – are on your ballot.	Candidates for county offices on the ballot in March who did not receive at least 50% plus 1 of the vote are in a run-off in November. Language services / Servicios de idiomas

The Santa Cruz County Multilingual Voter Services program was established to provide services to voters who need language assistance.

The following election materials will be translated into Spanish and will be available at all our voting locations:

- A copy of the ballot
- Voting Instructions
- State Voter Information Guide
- Voter Bill of Rights

As a voter, you may bring up to two individuals with you to your polling place to help you cast your ballot if those individuals do not represent your employer or your union. Your polling place may have poll workers ready to assist you who speak Spanish.

Spanish ballot will be mailed to you

Since all voters will be mailed a ballot for the November election, we will also mail you a copy of your ballot in Spanish. It will be in a separate mailing from your official ballot.

Background

California law requires the Secretary of State, in January before the primary election for Governor, to identify which precincts have 3% or more of the voting-age residents who are members of a single language minority and lack sufficient skills in English to vote without assistance.

El programa de Servicios de Votante Multilingüe del Condado de Santa Cruz se estableció para proporcionar servicios a los votantes que necesitan asistencia con el idioma.

Los siguientes materiales electorales se traducirán al español y estarán disponibles en todos nuestros centros de votación:

- Una copia de la boleta
- Instrucciones de votación
- Guía estatal de información al votante
- Declaración de derechos del votante

Como votante, usted puede traer dos individuos a la estación de votación para que le ayuden a emitir su voto. Sus acompañantes no pueden ser representantes de su empleador o sindicato. La estación de votación emplea trabajadores que le puedan asistir en español.

Se le enviará la boleta en español

Dado que todos los votantes recibirán una boleta para las elecciones de noviembre, también le enviaremos una copia de su boleta en español. Estará en un envío por correo separado de su boleta oficial.

Fondo

La ley de California requiere que el Secretario de Estado, en enero antes de la elección primaria del Gobernador, identifique qué precintos tienen el 3% o más de los residentes en edad de votar que son miembros de una minoría de un solo idioma y carecen de las habilidades suficientes para votar en inglés sin asistencia.

Cómo votar por boleta electoral de papel

Marque su boleta

Use un bolígrafo con tinta azul o negra solamente. No utilice bolígrafo de tinta roja, Sharpies, marcadores o ningún otro tipo de bolígrafo.

No firme su nombre en su boleta, no escriba sus iniciales, no escriba otras palabras o hacer algún otro tipo de marca en la boleta que ha completado.

Para votar por un candidato que no esté en la lista, escriba el nombre del candidato en la línea en blanco al final de la lista de candidatos. Luego rellene la burbuja al lado de ese nombre.

Una lista de candidatos calificados por escrito estará disponible en los lugares de votación. La lista se publica en nuestro sitio web en www.votescount.us 13 días antes de la elección.

¿Quién está en la boleta para esta elección?

En las elecciones primarias de marzo todos los californianos pudieron votar para decidir qué candidatos para las oficinas federales y estatales pasarían a la elección general de noviembre. Algunos candidatos para cargos locales del condado en marzo que recibieron suficientes votos para ser elegidos sin tener que estar en una segunda vuelta en noviembre, otros están en la boleta electoral en una segunda vuelta.

Jimmy Panetta

Party Preference: Democratic

United States Representative jimmypanetta.com jimmypanettaforcongress@gmail.com 831-238-7742 Age: 50

As your United States Representative, I'm fighting to give people the opportunity for a better life. Having grown up on the Central Coast, with a deep sense of public service, I've dedicated my career to giving back to our community and country.

As an Afghanistan War veteran, former deputy district attorney, and, now, your U.S. Representative, I know what it takes to serve and stand up for our nation and Central Coast values.

As the grandson of immigrants, I'm fighting for immigration reform to protect and provide an earned pathway to citizenship for farmworkers, their families, and Dreamers.

I'm defending our precious environment by protecting our pristine coastline and public lands from oil drilling, promoting agricultural and ecological sustainability, and creating sound policies to combat the climate crisis.

I'm securing federal funding for resources necessary to protect our lives and livelihoods during this pandemic and rebuild our economy.

I'm pushing for accessible healthcare for all and increased federal grants and tax credits for more affordable and equitable housing.

I'm fighting for equality in our justice system and to protect women's rights.

I'm upholding the constitutional responsibilities of Congress in our democratic system of checks and balances.

I'm promoting local jobs by supporting our diverse economy of agriculture, tourism, education, research, and small businesses.

I'll continue to fight for the people of the Central Coast by bringing energy, new ideas, and the will to work together to Congress. I would be honored by your vote. For more information, visit www.jimmypanetta.com

Preferencia de partido: Demócrata

Representante de Estados Unidos jimmypanetta.com jimmypanettaforcongress@gmail.com 831-238-7742 Edad: 50

Como su Representante de los Estados Unidos, estoy luchando para darle a la gente la oportunidad de tener una vida mejor. Al haber crecido en Central Coast, con un profundo sentido de servicio público, he dedicado mi carrera a devolver a nuestra comunidad y al país.

Como veterano de la Guerra de Afganistán, antiguo asistente del fiscal del distrito y, ahora, su Representante de EE. UU., sé lo que se necesita para servir y defender los valores de nuestra nación y Central Coast.

Como nieto de inmigrantes, estoy luchando por la reforma migratoria para proteger y proporcionar una vía meritaria hacia la ciudadanía para los agricultores, sus familias y los Soñadores.

Estoy defendiendo nuestro preciado medio ambiente al proteger nuestra inmaculada línea costera y nuestros terrenos públicos de las perforaciones petroleras, trabajando en pos de la sostenibilidad agrícola y ecológica y creando políticas sólidas para combatir la crisis climática.

Estoy obteniendo financiamiento federal para recursos que son necesarios para proteger nuestro sustento durante esta pandemia y reconstruir nuestra economía.

Estoy abogando por cuidados de la salud accesibles para todos y mayores subsidios federales y créditos fiscales para más viviendas asequibles y equitativas.

Estoy luchando por la igualdad en nuestro sistema judicial y para proteger los derechos de las mujeres.

Estoy defendiendo las responsabilidades constitucionales del Congreso en nuestro sistema democrático de controles y balances.

Estoy fomentando los empleos locales mediante el apoyo de nuestra economía diversa de agricultura, turismo, educación, investigación y pequeñas empresas.

Continuaré luchando por la gente de Central Coast al aportar energía, nuevas ideas y la voluntad de trabajar juntos al Congreso. Me honraría contar con su voto. Para más información, visite www.jimmypanetta.com

Vicki Nohrden

Party Preference: Republican

Businesswoman www.vicki4senate.com vicki@vicki4senate.com 831-200-5922 Age: 63

I'm Vicki Nohrden. I'm running for State Senate because our state control is out of control.

In less than three months, Gavin Newsom issued more than 40 executive orders that changed hundreds of laws without oversight or accountability, shutting down businesses and closing our schools.

Sacramento thinks it can force a one-size-fits-all approach on our counties but in the process it fails small businesses, independent contractors, families, and educators, all of whom pay the price.

I stand for educational freedom and excellence. I believe parents and teachers not bureaucrats hundreds of miles away, should decide our children's futures.

I've spent my public service advocating as a Court Appointed Special Advocate (CASA), for families in the justice system, and for taxpayers as a member of the Civil Grand Jury, investigating claims of government corruption and mismanagement.

I'm not a career politician with hundreds of thousands of dollars from special interests outside the four counties in our district. I support term limits. I oppose Prop 15, one of the biggest tax increases in California history attacking the 1978 Prop 13.

Learn more about me and the issues I want to champion at www.vicki4senate.com.

As our region climbs back from COVID-19, we need fresh vision and leadership, not more tax-and-spend career politicians conducting politics-as-usual in Sacramento.

This November vote for new leadership that cares about you and your family, not Sacramento and their special interests.

I would be honored to have your vote.

Vicki Nohrden

Preferencia de Partido: Republicana

Mujer de Negocios www.vicki4senate.com vicki@vicki4senate.com 831-200-5922 Edad: 63

Me llamo Vicki Nohrden. Me postulo para el Senado Estatal porque el control de nuestro estado está fuera de control.

En menos de tres meses, Gavin Newsom emitió más de 40 órdenes ejecutivas que cambiaron cientos de leyes sin supervisión ni rendición de cuentas, cerrando comercios y cerrando nuestras escuelas.

Sacramento piensa que puede forzar un enfoque universal para nuestros condados pero en el proceso les falla a las pequeñas empresas, los contratistas independientes, las familias y los educadores, que en su conjunto pagan el precio.

Estoy a favor de la libertad y la excelencia educativa. Creo que son los padres y maestros, no los burócratas que están a millas de distancia, son quienes deben decidir el futuro de nuestros niños.

He dedicado mi servicio público a abogar como Defensor Especial Nombrado por el Tribunal (CASA) por familias en el sistema judicial y por contribuyentes como miembro del Gran Jurado Civil, investigando denuncias de corrupción y administración indebida del gobierno.

No soy un político de carrera con cientos de miles de dólares de intereses especiales fuera de los cuatro condados de nuestro distrito. Apoyo los límites a los términos. Me opongo a la Propuesta 15, uno de los aumentos impositivos más grandes de la historia de California que ataca la Propuesta 13 de 1978.

Busque más información sobre mí y las cuestiones que quiero defender en www.vicki4senate.com.

A medida que nuestra región se recupera del COVID-19, necesitamos visión y liderazgo innovadores, no otro político de carrera que se limite a gravar impuestos y gastar llevando a cabo la política como es habitual en Sacramento.

Este noviembre vote por un nuevo liderazgo que se ocupe de usted y su familia, no de Sacramento y sus intereses especiales.

Estaría honrada de contar con su voto.

John Laird

Party Preference: Democratic

California Secretary for Natural Resources

www.lairdforsenate.com

info@lairdforsenate.com

This past March, I received strong support from voters when I ran on a platform that called for dramatic steps to tackle climate change, the affordable housing crisis, the goal of universal healthcare coverage and the need for a more sustainable public education system.

Our world has changed in unprecedented ways since then. We are now deeply challenged by a pandemic, the bottom dropped out of our economy, and high-profile incidents of racial injustice have shaken our nation. All of these inter-related issues demand leadership and strong action.

For eight years, I served as Secretary for Natural Resources, working hard on California's climate change efforts, safeguarding agricultural land, leading the state's ocean protection program, and pushing back on federal attempts for more offshore oil drilling.

As a Mayor, City Councilmember, Transportation Commissioner, Nonprofit Director and Community College Trustee, I developed experience to tackle the key issues we now face. As an Assemblymember, I authored 82 bills signed into law, on civil rights, environmental protection, first-time homebuyers, community college health services, and more. As Assembly Budget Chair, I navigated difficult fiscal times as I fought for healthcare, education and our environment.

I have earned endorsements from teacher, firefighter, nurse and building trades organizations, as well as the League of Conservation Voters, Equality California, Governor Newsom, former Governor Brown, State Schools Superintendent Thurmond and local mayors, county supervisors and school trustees throughout Monterey, San Luis Obispo, Santa Clara and Santa Cruz Counties. I will use my experience, drive and commitment to serve the 17th Senate District. I respectfully ask for your vote.

El pasado mes de marzo, recibí un fuerte apoyo de los votantes cuando me postulé en una plataforma que reclamaba medidas drásticas para poner fin al cambio climático, la crisis de viviendas asequibles, el objetivo de cobertura universal de cuidados de la salud y la necesidad de un sistema de educación pública más sostenible.

Nuestro mundo ha cambiado de formas sin precedentes desde entonces. Ahora tenemos el reto profundo de una pandemia, la caída de nuestra economía que parece no tocar fondo e incidentes de injusticia racial de gran notoriedad que han sacudido a nuestra nación. Todas estas cuestiones interrelacionadas exigen liderazgo y medidas firmes.

Durante ocho años, presté servicios como Secretario de Recursos Naturales, trabajando con ahínco en esfuerzos por el cambio climático de California, salvaguardando tierras agrícolas, liderando el programa estatal de protección del océano y haciendo retroceder intentos federales de proseguir con las perforaciones petroleras de alta mar.

Como Alcalde, Miembro del Concejo Municipal, Comisionado de Transporte, Director de Organizaciones Sin Fines de Lucro y Síndico de Colegio Comunitario, desarrollé experiencia para poner fin a los problemas clave que enfrentamos. Como Miembro de la Asamblea, fui autor de 82 proyectos de ley promulgados como leyes, sobre derechos civiles, protección ambiental, compradores de primera casa, servicios de salud de colegios comunitarios y mucho más. Como Presidente de Presupuesto de la Asamblea, atravesé tiempos fiscales difíciles mientras luchaba por los cuidados de la salud, la educación y nuestro medio ambiente.

He obtenido el aval de organizaciones de maestros, bomberos, enfermeros y trabajadores de oficios de la construcción, así como la Liga de Votantes por la Conservación, Igualdad California, el Gobernador Newsom, el ex Gobernador Brown, el Superintendente de Escuelas Estatales Thurmond y alcaldes locales, supervisores de condado y síndicos escolares a lo largo de todos los Condados de Monterey, San Luis Obispo, Santa Clara y Santa Cruz. Usaré mi experiencia, impulso y compromiso para servir al Distrito 17 del Senado. Respetuosamente le pido su voto.

I'm Greg Swett, a walnut grower with experience in both finance and sales now running for Assembly District 30. I'm a Republican and a capitalist while believing in the rules of law. If you believe that our taxes, the highest state taxes in the country, that support the \$202 billion-dollar California budget are being mismanaged, consider giving me your vote since I'm determined to work on improving the outcomes of this spending. The goal is to provide you with better schools, better roads, tolerable traffic and transportation options, affordable housing, realistic gas prices, education that work and solutions to water shortages on already approved dams. I'm focused on questioning useless mismanaged projects such as a Caltrans one on Highway 25 intended to improve road safety but ending with \$2 million wasted since the first improvement collapsed after two weeks and now, they are spending \$12 million more. The problem is it only improves 784-feet out of a 38-mile-long disaster-prone road. Please consider voting for me for a change in direction for our great state. For more information, see www.swettforad30.com.

About me, I am walnut grower in San Benito County growing, processing and selling walnuts. Currently board president of a small rural school—Willow Grove Elementary that my father attended, long ago, as well as my older sister and brother. I am also past board president of San Benito County Farm Bureau, past treasurer, and operating director of the SBC singles Farm Labor Camp where we actually added farm labor housing.

Soy Greg Swett, un cultivador de nueces con experiencia tanto en finanzas como en ventas y ahora me postulo para el Distrito 30 de la Asamblea. Soy Republicano y capitalista y al mismo tiempo creo en las reglas de la ley. Si usted cree que nuestros impuestos, los impuestos estatales más altos del país, que apoyan el presupuesto de \$202 billones de dólares de California se están administrando de manera indebida, considere la posibilidad de darme su voto ya que estoy decidido a trabajar para mejorar los resultados de este gasto. El objetivo es brindarle mejores escuelas, mejores caminos, opciones de tráfico y transporte tolerables, viviendas asequibles, precios realistas para la gasolina, una educación que funcione y soluciones para la escasez de agua en las presas ya aprobadas. Estoy enfocado en cuestionar proyectos inútiles mal administrados como uno de Caltrans en la Highway 25 destinado a mejorar la seguridad vial pero que finaliza con \$2 millones desperdiciados ya que la primera mejora colapsó después de dos semanas y ahora están gastando \$12 millones más. El problema es que solo mejora 784 pies de un camino de 38 millas de longitud propenso a desastres. Por favor considere la posibilidad de votar por mí para un cambio de dirección para nuestro grandioso estado. Para mas información, visite www.swettforad30.com.

Con respecto a mí, soy un cultivador de nueces del Condado de San Benito que cultiva, procesa y vende nueces. Actualmente soy presidente de la junta de una pequeña escuela rural—la Primaria de Willow Grove donde asistió mi padre, hace mucho tiempo, así como mi hermana y hermano mayores. También soy expresidente de la junta de la Oficina de Granjeros del Condado de San Benito, extesorero y director operativo del Campamento de Trabajadores Agrícolas para solteros del SBC donde en realidad agregamos viviendas para trabajadores agrícolas.

Robert Rivas

Party Preference: Democratic
State Assemblymember

rivasforassembly.com

rivas.robort@icloud.com

Age: 40

In 2018, you elected me to serve as your representative in the California State Assembly.

Since then, we have made real progress for our Central Coast communities. I was proud to win passage of the Farmworker Housing Act of 2019, a bill I authored that will help build safe and affordable housing in agricultural communities. This bill is an important step forward in addressing our homelessness crisis, although much work remains to be done.

Improving our children's education is another top priority. I authored the Golden State Teacher Grant Program, which secured \$89 million to provide grants to teachers who commit to teach in schools lacking qualified educators. I will fight to make sure that every child in our district has the resources and support they need to be successful.

Traffic conditions in our area are damaging our economy and our quality of life. I am working with leaders across the district to find long-term solutions for this urgent issue. And I will continue to fight for strong environmental protections that safeguard our air and water.

My family has deep roots in Assembly District 30. I was raised in farmworker housing near Hollister after my family immigrated from Mexico in search of a better life. Now, my wife Christen and I are proud to be raising our daughter here.

As your Assemblymember, I am committed to solving problems and standing up for every member of our community. It is an honor to advocate for you in Sacramento.

Edad: 40

En 2018, usted me eligió para servir como su representante en la Asamblea Estatal de California.

Desde entonces, hemos hecho un real progreso para nuestras comunidades de Central Coast. Me enorgulleció lograr la promulgación de la Ley de Viviendas para Trabajadores Agrícolas de 2019, un proyecto de ley de mi autoría que ayudará a construir viviendas seguras y asequibles en comunidades agrícolas. Este proyecto de ley es un importante paso adelante para abordar nuestra crisis de indigencia, aunque queda mucho trabajo por hacer.

Mejorar la educación de nuestros niños es otra prioridad máxima. Fui autor del Programa de Subsidios para Maestros del Estado Dorado, que obtuvo \$89 millones para proporcionar subsidios a maestros que se comprometan a enseñar en escuelas que carecen de educadores calificados. Lucharé para asegurarme de que todos los niños de nuestro distrito cuenten con los recursos y el apoyo que necesitan para tener éxito.

Las condiciones del tráfico en nuestra zona están dañando nuestra economía y nuestra calidad de vida. Estoy trabajando con líderes de todo el distrito para encontrar soluciones de largo plazo para esta cuestión urgente. Y seguiré luchando por protecciones medioambientales firmes que salvaguarden nuestro aire y agua.

Mi familia tiene profundas raíces en el Distrito de Asamblea 30. Me crié en una casa de trabajadores agrícolas cerca de Hollister, después de que mi familia inmigrara desde México en busca de una vida mejor. Ahora, mi esposa Christen y yo estamos orgullosos de criar a nuestra hija aquí.

Como su Miembro de la Asamblea, me comprometo a resolver problemas y a alzarme en defensa de todos los miembros de nuestra comunidad. Es un honor abogar por usted en Sacramento.

Nancy de la Peña

Assistant County Counsel

www.Nancy4Judge.com

Age: 62

I will bring experience, integrity and diversity to the Santa Cruz County Superior Court.

During my 34 years as both a Santa Cruz County Public Defender and an Assistant Santa Cruz County Counsel, I handled thousands of cases, including adult and juvenile criminal matters, child protective cases and gun violence restraining orders. These years of trial experience has taught me that listening and treating people with respect is vital in our system of justice. My commitment to honoring these values not only helps ensure I will be a fair and effective judge but has also led to endorsements from many people and groups who, as a lawyer, sat on the other side of the table from me in court.

I will work hard, listen carefully, generate new ideas and serve our entire community. I have earned the respect, support and endorsement of numerous Santa Cruz County Superior Court Judges, California Assemblymember Mark Stone, Santa Cruz County Sheriff Jim Hart, members of both the Santa Cruz County Public Defender and the Santa Cruz County District Attorney, the Santa Cruz County Deputy Sheriff's Association, and the Santa Cruz County Women's Democratic Club.

Santa Cruz is my community. My wife, Janet, and I raised our two daughters in Santa Cruz, where I coached local girls' soccer teams for ten years. I served on the Board of Directors of Familia Center, the Santa Cruz County Women Lawyers, and the Santa Cruz County Bar Association.

I would be honored to receive your vote.

Edad: 62

Aportaré experiencia, integridad y diversidad al Tribunal Superior del Condado de Santa Cruz.

Durante mis 34 años como Defensora Pública del Condado de Santa Cruz y como Asistente de Abogado del Condado de Santa Cruz, manejé miles de casos, incluyendo asuntos penales juveniles y de adultos, casos de protección infantil y órdenes de restricción de violencia armada. Esos años de experiencia judicial me han enseñado que escuchar y tratar a las personas con respeto es vital en nuestro sistema judicial. Mi compromiso de respetar estos valores no solo contribuye a garantizar que seré justa y efectiva como jueza sino que además ha dado lugar al aval de numerosas personas y grupos que, como abogada, veía sentados del otro lado de la mesa en el tribunal.

Trabajaré con ahínco, escucharé con atención, generaré nuevas ideas y serviré a toda nuestra comunidad. Me he ganado el respeto, apoyo y aval de numerosos Jueces del Tribunal Superior del Condado de Santa Cruz, el Asambleísta de California Mark Stone, el Alguacil del Condado de Santa Cruz Jim Hart, los miembros tanto de la Defensoría Pública del Condado de Santa Cruz como de la Fiscalía del Condado de Santa Cruz, la Asociación de Ayudantes de Alguacil del Condado de Santa Cruz y el Club Democrático de Mujeres del Condado de Santa Cruz.

Santa Cruz es mi comunidad. Mi esposa, Janet, y yo criamos a nuestras dos hijas en Santa Cruz, donde fui instructora de equipos locales de fútbol de niñas durante diez años. Serví en la Junta de Directores del Centro Familiar, las Abogadas del Condado de Santa Cruz y el Colegio de Abogados del Condado de Santa Cruz.

Sería un honor recibir su voto.

Our community college system is dysfunctional. It does not serve all the populations of our community.

I'm a Santa Cruz county resident since 1998. I was a Monterey county resident for 15 years prior. I served as an ad hoc counselor at De Anza College in 97-98. I served on the Santa Cruz city school board from 2010-2014. I served as a bilingual teacher to CA students for 36 years.

My life is dedicated to public service. Last October, the Diversity Center of Santa Cruz county recognized me as a "Hero of the Community". Past pro bono service: MAPA and LULAC in Salinas, Retired Teachers of Santa Cruz county, Friends of the Library and the YMCA in Watsonville, Pajaro Village HOA in Watsonville.

Cabrillo has not had a successful tax override election in 16 years. Many in our community don't feel Cabrillo serves them. We are in the middle of a historic depression. Taking ever increasing tax amounts from homeowners is not a solution. My job is not to warm a chair; my job is to bring needed change. *Vote Trujillo for Cabrillo November 3.*

Nuestro sistema de colegios comunitarios es disfuncional. No sirve a todas las poblaciones de nuestra comunidad.

Soy residente del condado de Santa Cruz desde 1998. Antes, fui residente del condado de Monterey durante 15 años. Serví como consejero ad hoc en el Colegio De Anza en el período 1997-98. Serví en la junta escolar municipal de Santa Cruz en el período 2010-14. Serví como maestro bilingüe para estudiantes de CA durante 36 años.

Mi vida está dedicada al servicio público. En octubre pasado, el Centro de Diversidad del condado de Santa Cruz me reconoció como "Héroe de la Comunidad". Servicios anteriores brindados sin cobrar: MAPA y LULAC en Salinas, Maestros Jubilados del condado de Santa Cruz, Amigos de la Biblioteca y YMCA de Watsonville, HOA de Pajaro Village de Watsonville.

Cabrillo no ha tenido una elección de anulación de impuestos satisfactoria en 16 años. Muchas personas de nuestra comunidad no sienten que Cabrillo les preste servicios. Estamos en medio de una depresión histórica. Cobrar sumas impositivas mayores a los propietarios de casa no es una solución. Mi trabajo no es calentar una silla; mi trabajo es traer el cambio necesario. *Vote por Trujillo para Cabrillo en noviembre 3.*

The Pajaro Valley Unified School District is failing too many of our students.

Our students suffer from a shortage of full-time teachers, counselors, and staff members. These shortages impact schools in Watsonville, Freedom, and Amesti, where facilities are falling apart. Some schools don't even have clean water.

We need major reform, starting at the top. For too long we've had administrations that are out of touch with our community. This year the administration and board voted to fire vital staff while spending \$5 million to renovate administrative offices. Unacceptable!

As a board member, I will work to trim the administration's bloated budget and redirect that money into our classrooms.

We must raise salaries for teachers and staff so we can retain quality people.

I will fight to secure career preparation programs for good jobs in teaching, health care, and agriculture. We must build stronger partnerships with Cabrillo College and UC Santa Cruz.

Finally we must navigate the coronavirus with honesty to protect our community.

I'm the grandson of farmworkers, the son of teachers, and a UC Berkeley graduate. As California director for Food & Water Watch, I helped ban fracking in Santa Cruz, Monterey, and San Benito Counties to protect our water.

Now I'm ready to fight for our students!

El Distrito Escolar Unificado de Pajaro Valley les está fallando a demasiados estudiantes nuestros.

Nuestros estudiantes sufren escasez de maestros de tiempo completo, consejeros y miembros del personal. Esta escasez afecta a escuelas de Watsonville, Freedom y Amesti, donde las instalaciones se están viniendo abajo. Algunas escuelas ni siquiera cuentan con agua potable.

Necesitamos una reforma importante, empezando desde arriba. Durante demasiado tiempo hemos tenido administraciones que no están en contacto con nuestra comunidad. Este año la administración y la junta votaron para despedir a personal vital mientras se gastaban \$5 millones para renovar oficinas administrativas. ¡Es inaceptable!

Como miembro de la junta, trabajaré para recortar el inflado presupuesto de la administración y redirigir ese dinero a nuestras aulas.

Debemos elevar los salarios de los maestros y el personal para poder retener personas de calidad.

Lucharé para lograr programas de preparación para carreras para buenos empleos en enseñanza, cuidados de la salud y agricultura. Debemos construir asociaciones más sólidas con el Colegio Cabrillo y UC Santa Cruz.

Finalmente, debemos transitar el coronavirus con honestidad para proteger a nuestra comunidad.

Soy nieto de agricultores, hijo de maestros y graduado de la UC Berkeley. Como Director de California para Food & Water Watch, ayudé a prohibir la fracturación en los Condados de Santa Cruz, San Benito y Monterey para proteger nuestra agua.

Ahora, ¡estoy listo para luchar por nuestros estudiantes!

Ballot safety and security

Postmark + 17 (new law)

Ballots that are postmarked on or before Election Day or are time stamped or date stamped by a bona fide private mail delivery company on or before Election Day and received by the county elections official by November 20, the 17th day after the election, shall be considered received on time.

The signature on the ballot envelope is compared to the signature on file by humans

The tab covering your signature will be removed by staff when your ballot arrives. It will then be sent through a ballot processing unit that will capture the signature. An elections clerk will then look at every signature on every ballot and compare it to your signatures we have on file for you from your voter registration card or past vote-by-mail ballots.

If you forgot to sign your envelope, we will mail you a Signature Statement so you can provide your signature.

If your signature does not compare, a second elections official will inspect your signature. If they do not believe it compares, the County Clerk or the Assistant County Clerk will determine if your ballot should be challenged due to a signature that does not compare.

If your ballot is challenged, you will be contacted using the information on the ballot envelope. If you cannot be reached by telephone or email, we will mail you a letter with a Signature Statement so you can cure your signature.

The Signature Statement, which will also be posted online at www.votescount.us may be returned to the county elections official by mail, FAX, email, hand-delivered, or dropped off at a voting location or drop box if we have contacted you before Election Day. The Signature Statement must be received by the elections official by November 29.

No electioneering

No one can solicit the vote of a vote-by-mail voter, or do any electioneering, while in the residence or in the immediate presence of the voter, and during the time he or she knows the vote-by-mail voter is voting.

Any person who knowingly violates this section is guilty of a misdemeanor.

Don't let a stranger return your ballot

There have been concerns raised about ballot collection from third parties. California changed the ballot return law in 2016 to allow any person to return a ballot for a voter. The person returning the ballot must print their name, sign their name, and provide their relationship to the voter on the outside of the envelope. The law used to require the third party to be a relative, household member or the caretaker of the voter.

If a voter cannot return their ballot without assistance, they are encouraged to enlist the help of someone they know and trust. If they do not have anyone available, they can call our office at 831-454-2060 and we will send an elections official to pick up the ballot.

What about voter fraud?

In a Washington Post analysis of data collected by three vote-by-mail states with help from the nonprofit Electronic Registration Information Center (ERIC) found that officials identified just 372 possible cases of double voting or voting on behalf of deceased people out of about 14.6 million votes cast by mail in the 2016 and 2018 general elections, or 0.0025%.

The Heritage Foundation maintains a database of all recent instances of recorded voter fraud and found just 204 reported cases involving the fraudulent use of vote-by-mail ballots over the past 20 years — only 143 resulted in convictions. That means that over the last two decades, about 0.00006% of total vote-by-mail votes cast were fraudulent.

In Santa Cruz County, since 1993 there has been 1 case of voter fraud where a property owner voted and returned a ballot for a tenant. The landlord was caught during the county's standard signature checking procedures.

Most cases are people guilty of "over-helping." Spouses signing for the other. Parents signing for their children.

Bottom line. It is your ballot. Sign the envelope in your own handwriting!

If you see something, say something!

If you suspect voter fraud, please contact the Secretary of State. They have a complaint form posted online at <https://www.sos.ca.gov/elections/publications-and-resources/voter-complaint/>. You may also call the Secretary of State at: English: (916) 657-2166 or (800) 345-VOTE (8683). Spanish: (800) 232-VOTA (8682).

You may also contact the Santa Cruz County Clerk at 831-454-2060 or info@votescount.us. The County Clerk is not authorized to do investigations, so the office will refer the case to the appropriate local agency.

Remote Kids Vote!

Students in grades K – 12 will have the opportunity to vote on many of the same issues and candidates as the adults. Ballots will be available online and at all voting locations in Santa Cruz County.

Kids will vote on real ballot issues with specially designed ballots for students. Ballots will be counted and results posted by Friday after the election on the Santa Cruz County Clerk's website at www.votescount.com

A special thanks goes to the 7th and 8th grade students and their teacher, Justin Trinh-Halperin, of Tierra Pacifica Charter School in the Live Oak community for making Remote Kids Vote 2020 possible!
